Preparedness and Relief Efforts

<http://www.csmonitor.com/World/Americas/2010/0117/Haiti-earthquake-Angry-crowds-bemoan-lack-of-government-response>

<http://www.fas.org/sgp/crs/row/R41023.pdf>

<http://www.globalpost.com/dispatch/the-americas/100115/haitian-government-earthquake-cleanup>

http://news.bbc.co.uk/2/hi/in_depth/americas/2010/haiti_earthquake/default.stm [Note: there are multiple videos relevant to relief AND to Haiti's economic reality; you should use the videos as resources, too!]

http://reliefweb.int/sites/reliefweb.int/files/resources/Full_Report_3342.pdf [this is a really comprehensive resource that can also be used for other sub-topic research, but scroll through and locate relevant info about preparedness and relief efforts; if you print any of it, make sure to only select the key pages you need]

Natural and Human Geography

http://en.wikipedia.org/wiki/Geography_of_Haiti#cite_note-1

<http://www.ruralpovertyportal.org/country/home/tags/haiti> [this info is not specific to the city of Port-au-Prince, but it provides a solid overview of the economic and to some extent, geographic reality for a majority of Haitians]

http://ngm.nationalgeographic.com/2008/09/soil/bourne-text?rptregcta=reg_free_np&rptregcampaign=20131016_rw_membership_nlp_us_se_w#
[Note: 1) this article is not specific to the earthquake; however, it does provide useful information about human impacts on the environment AND about Haiti's colonial history and current economic struggles. 2) Also, this article requires you to set up a free account with National Geographic in order to view it. Go ahead and sign up; this could be a useful resource for future projects. Let your teacher know if you have any trouble.]

Resulting Health Factors

http://www.who.int/diseasecontrol_emergencies/publications/haiti_earthquake_20100118.pdf

http://reliefweb.int/sites/reliefweb.int/files/resources/Full_Report_3342.pdf [you'll have to scroll through to find key health info]

<http://www.cnn.com/2010/HEALTH/01/13/haiti.earthquake.medical.risks/>

<http://www.care2.com/causes/long-term-health-problems-facing-haiti-after-earthquake.html>
